Taking the Sermon Into Our Week

Scripture of the Week: Luke 11: 2-4

From the Sermon:
We _____ others and others _____ us.

As Christians we believe that Jesus taught us a _____ way to live by both his example and teachings on forgiveness.

One of the reasons we are slow to forgive is because we don't exactly know what forgiveness _____ in our daily lives.

- When we are wronged we:
- 1.) Take our complaint to _____.
 - 2.) Choose to show _____.

Forgiveness is not the same as _____.

Reflection Questions:
How have the words "forgive us as we forgive others" transformed you?

How would God respond to you if you are being judged in the exact manner that you judge others?

Prayer:

Lord, we confess that we are slow to forgive. As a people, when we are wronged, we struggle to even bring our hurt to you in prayer - perhaps because we know that will call us to a place of freedom and forgiveness. Forgive us, O Lord, and help us to forgive others, we pray. Amen.
