Taking the Sermon Into Our Week

Scripture of the Week: 1 John 5: 9-13

From the Sermon:

For 1 John, testimony is ultimately rooted in _____.

Christ who _____, who _____, and who is _____.

We can fall into three traps with testimony:

- 1.
- 2.
- 3.

The _____ is a way for us to stay in love with God.

Reflection:

When you hear the word “testimony” what comes to your mind?

Where did you notice the presence of God this week and what brings you hope?

Where did you see God moving in your life? Where did you fall short? And what brings you hope for today?

Prayer:

Lord, thank you for the gift of this day and your abiding presence and promise. Help us to share the story that you are with us with all who will hear. Amen.
