Taking the Sermon Into Our Week
Scripture of the Week: Luke 19:29-44

From the Sermon:

A _____ must be able to _____ but not every
_____ comes from a true _____.

Jesus is _____, _____, and _____.
Riding into Jerusalem we can hear the echoes of _____.

The people cannot recognize the peace that Jesus brings, because they
are looking for peace as they define it,
_____.

Jesus rode into Jerusalem that day _____ in who he was and
what he had to offer.

Reflection Questions:

In what ways are we like the multitudes?

How do we pick and choose who we want Christ to be in our lives and
try to contain him to our will and image?

Prayer:

Lord, for the times when we have tried to define you and your reign by
our wants and wishes, forgive us. Let us not be swept up by the crowd,
but instead sweep us up by your love alone. Amen.
