Taking the Sermon Into Our Week

Scripture of the Week: Genesis 2:4b-7, 15-17; 3:1-8

From the Sermon:

God gave the man a _____ - _____.

Humanity broke _____ with their _____.

Adam and Eve abandoned the _____ in favor of doing something else.

We, too, have a mission. To _____.

Reflection Questions:

How do we stray from the mission?

Are we going to follow? Are we going to heed the call or are we going to continue to try to do things on our own terms and in our own way?

Prayer:

Lord, we confess that we all too often abandon the mission you have called us to as your Church. We try to do things our own way. Or we do not heed your call to witness in favor of our own comfort. Forgive us, O Lord. Keep calling us to your mission, we pray. Amen.
