MINISTERS --- ALL THE MEMBERS

REV. DENISE HASKINS

Change is never easy. Whether it is something we look forward to or something we dread, change means a disruption to what we are familiar with and introduces an element of the unknown.

The United Methodist Church ordained me as an elder in 2020, but I came into the world as a brat...an Army brat, that is. I share this so you know I am well familiar with change, and my goal is to make this pastoral transition as seamless as possible.

I love Juniata UMC's mission to know, love and serve Jesus in your community, and I am excited to come alongside you in that effort...to cheer you in what you are already doing and to empower you in the next steps that God is calling you.

This life we live in Christ is a journey, and if we're paying attention to the Holy Spirit, it is a journey of learning and growth. Yes, more change. Change for the better. Change to be better. Change to bring the kingdom of God here to earth.

I look forward to our journey together!

Pastor Denise.
